

ZEVARA APPAREL & WORKWEAR

PRODUCT CATALOG

Industrial Workwear · Safety Gloves & Leather PPE · Corporate & Professional Wear · Casual & Performance Apparel

A complete B2B product overview for workwear, safety gloves, leather PPE, uniforms, outerwear, activewear, knitwear, and private-label apparel programs.

MAIN DIVISIONS

01

INDUSTRIAL WORKWEAR

Safety-focused, protective, and heavy-duty workwear designed for construction, industrial, warehouse, utility, roadside, welding, oil and gas, and high-risk work environments.

02

SAFETY GLOVES & LEATHER PPE

Industrial gloves, leather gloves, welding gloves, heat protection, cut-resistant protection, and leather PPE for handling, welding, fabrication, metalwork, and industrial safety programs.

03

CORPORATE & PROFESSIONAL WEAR

Uniforms and professional apparel for office, healthcare, hospitality, culinary, airline, airport, travel, customer service, and corporate staff programs.

04

CASUAL & PERFORMANCE APPAREL

Activewear, sportswear, outerwear, jackets, casual clothing, lifestyle apparel, teamwear, and private-label apparel programs.

DIVISION 01

INDUSTRIAL WORKWEAR

Safety-focused, protective, and heavy-duty workwear designed for construction, industrial, warehouse, utility, roadside, welding, oil and gas, and high-risk work environments.

GENERAL WORKWEAR

A durable one-piece workwear coverall constructed from hard-wearing Oxford fabric, designed for full-body coverage in construction, industrial, warehouse, utility, and general work environments.

ZV-GW-001
OXFORD WORK COVERALL

A one-piece coverall built for full-body coverage on general maintenance, warehouse, and industrial jobs.

- Colors:** Navy, Grey, Black, Khaki, Custom
Sizes: XS–5XL / Custom sizing available
Fabric: 65% Polyester, 35% Cotton, Oxford, 240 GSM
Certification: Buyer specification options available
- Durable, work-ready construction
 - Reinforced stitching and pockets
 - Custom branding available
 - Private-label production available

ZV-GW-002
OXFORD WORK BIB OVERALL

A bib-front work overall worn as a durable layering piece over shirts and jackets on the job site.

- Colors:** Navy, Grey, Black, Khaki, Custom
Sizes: XS–5XL / Custom sizing available
Fabric: Fabric: 65% Polyester, 35% Cotton, Oxford, 240 GSM
Certification: Buyer specification options available
- Durable, work-ready construction
 - Reinforced stitching and pockets
 - Custom branding available
 - Private-label production available

ZV-GW-003
WORK PANT

A durable everyday work pant built for warehouse, maintenance, and general labor tasks.

- Colors:** Navy, Grey, Black, Khaki, Custom
Sizes: XS–5XL / Custom sizing available
Fabric: 65% polyester, 35% cotton twill
Certification: Buyer specification options available
- Durable, work-ready construction
 - Reinforced stitching and pockets
 - Custom branding available
 - Private-label production available

ZV-GW-004
CARGO WORK PANT

A work pant with multiple utility pockets for carrying tools and small equipment throughout the day.

- Colors:** Navy, Grey, Black, Khaki, Custom
Sizes: XS–5XL / Custom sizing available
Fabric: 65% polyester, 35% cotton twill, reinforced knee panels
Certification: Buyer specification options available
- Durable, work-ready construction
 - Reinforced stitching and pockets
 - Custom branding available
 - Private-label production available

ZV-GW-005
WORK SHIRT (LONG SLEEVE)

A long-sleeve, button-front work shirt for everyday wear on job sites and in warehouse settings.

- Colors:** Navy, Grey, Black, Khaki, Custom
Sizes: XS–5XL / Custom sizing available
Fabric: 65% polyester, 35% cotton poplin
Certification: Buyer specification options available
- Durable, work-ready construction
 - Reinforced stitching and pockets
 - Custom branding available
 - Private-label production available

ZV-GW-006
WORK SHIRT (SHORT SLEEVE)

A short-sleeve, button-front work shirt suited to warm-weather and indoor work environments.

- Colors:** Navy, Grey, Black, Khaki, Custom
Sizes: XS–5XL / Custom sizing available
Fabric: 65% polyester, 35% cotton poplin
Certification: Buyer specification options available
- Durable, work-ready construction
 - Reinforced stitching and pockets
 - Custom branding available
 - Private-label production available

GENERAL WORKWEAR / CONTINUED

A durable one-piece workwear coverall constructed from hard-wearing Oxford fabric, designed for full-body coverage in construction, industrial, warehouse, utility, and general work environments.

DIVISION 02

SAFETY GLOVES & LEATHER PPE

Industrial gloves, leather gloves, welding gloves, heat protection, cut-resistant protection, and leather PPE for handling, welding, fabrication, metalwork, and industrial safety programs.

SAFETY GLOVES

Safety gloves designed for industrial, construction, mechanical, warehouse, welding, cut-resistant, and general handling applications.

ZV-SG-001

GENERAL WORK GLOVES

An all-purpose work glove suited to general handling, assembly, and warehouse tasks.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S–XXL / Custom sizing available

Fabric: Split cowhide leather palm, cotton jersey back

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-002

LEATHER WORK GLOVES WITH WRIST STRAP

A leather work glove with an adjustable wrist strap for a secure, snug fit during general labor.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S–XXL / Custom sizing available

Fabric: Top-grain cowhide leather, cotton-lined palm, adjustable leather wrist strap

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-003

WHITE LEATHER DRIVER GLOVES

A slim-fit white leather driver glove offering dexterity and light-duty hand protection.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S–XXL / Custom sizing available

Fabric: Top-grain goatskin white leather, unlined for dexterity

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-009

TAN LEATHER DRIVER GLOVES (LINED)

A lined tan leather driver glove offering extra warmth and comfort in cooler conditions.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S–XXL / Custom sizing available

Fabric: Top-grain tan leather, brushed cotton lining

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-007

WELDING GLOVES

A heat-resistant glove built to protect hands during welding and high-heat fabrication work.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S–XXL / Custom sizing available

Fabric: Split cowhide leather, Kevlar stitching, padded palm, cotton lining

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-004

TWO-TONE LEATHER WELDING GLOVES

A two-tone leather welding glove offering durable, high-heat protection for the hands and wrist.

Colors: Natural, Brown, Black, Custom

Sizes: Standard and custom sizing available

Fabric: Split cowhide back and top-grain cowhide leather front with padded Palm, Kevlar stitching

Certification: Buyer specification options available

- Heat and spark protection options
- Heavy-duty leather construction
- Reinforced stitching options
- Custom branding available

SAFETY GLOVES / CONTINUED

Safety gloves designed for industrial, construction, mechanical, warehouse, welding, cut-resistant, and general handling applications.

YELLOW-AND-WHITE LEATHER WELDING GAUNTLET GLOVES

A gauntlet-style welding glove in yellow and white, with extended cuff coverage for added forearm protection.

Colors: Natural, Brown, Black, Custom

Sizes: Standard and custom sizing available

Fabric: Top-grain goatskin leather, extended gauntlet cuff, Kevlar stitching

Certification: Buyer specification options available

- Heat and spark protection options
- Heavy-duty leather construction
- Reinforced stitching options
- Custom branding available

ZV-SG-004

LEATHER WELDING GLOVES WITH EXTENDED CUFF

A leather welding glove finished with an extended cuff for additional coverage against sparks and heat.

Colors: Natural, Brown, Black, Custom

Sizes: Standard and custom sizing available

Fabric: Split cowhide leather Back, Full grain leather Palm, extended cuff, Kevlar stitching

Certification: Buyer specification options available

- Heat and spark protection options
- Heavy-duty leather construction
- Reinforced stitching options
- Custom branding available

ZV-SG-010

LEATHER-PALM MECHANIC UTILITY GLOVES

A leather-palm utility glove built for grip and dexterity during mechanical and assembly work.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S-XXL / Custom sizing available

Fabric: Goat Skin leather palm, spandex knit back, elastic wrist

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-011

GENERAL HANDLING GLOVES

A general-purpose handling glove for warehouse, logistics, and everyday material-handling tasks.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S-XXL / Custom sizing available

Fabric: 100% Polycotton backside, 100% Grain Sheep Leather

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-005

IMPACT-RESISTANT GLOVES

An impact-resistant glove with reinforced padding to protect hands from bumps and crushing hazards.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S-XXL / Custom sizing available

Fabric: 13-gauge nylon/HPPE knit shell, TPR back-of-hand protection, nitrile palm coating

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

ZV-SG-004

CUT-RESISTANT GLOVES

A cut-resistant glove built to protect hands from blades and sharp materials during handling work.

Colors: Natural, Grey, Black, Yellow, Custom

Sizes: S-XXL / Custom sizing available

Fabric: 13-gauge HPPE knit shell, nitrile foam palm coating

Certification: EN388 / ANSI cut-level / buyer specification options available

- Industrial hand protection
- Custom materials and coatings
- Reinforced construction options
- Private-label packaging available

LEATHER & WELDING PPE

Leather and welding protection products designed for welding, fabrication, metalwork, grinding, and high-heat industrial environments.

ZV-LP-001
LEATHER WELDING JACKETS

A leather jacket worn as protective outerwear during welding, grinding, and metalwork tasks.

- Colors:** Natural, Brown, Black, Custom
Sizes: Standard and custom sizing available
Fabric: Split cowhide leather, Kevlar stitching
Certification: Buyer specification options available
- Heat and spark protection options
 - Heavy-duty leather construction
 - Reinforced stitching options
 - Custom branding available

ZV-LP-002
LEATHER WELDING APRONS

A full-front leather apron providing torso protection from sparks and heat during welding work.

- Colors:** Natural, Brown, Black, Custom
Sizes: Standard and custom sizing available
Fabric: Split cowhide leather, Kevlar stitching, adjustable leather ties
Certification: Buyer specification options available
- Heat and spark protection options
 - Heavy-duty leather construction
 - Reinforced stitching options
 - Custom branding available

ZV-LP-003
LEATHER WELDING SLEEVES

A pair of leather sleeves worn over the forearms for added spark and heat protection during welding.

- Colors:** Natural, Brown, Black, Custom
Sizes: Standard and custom sizing available
Fabric: Split cowhide leather, Kevlar stitching, elasticated openings
Certification: Buyer specification options available
- Heat and spark protection options
 - Heavy-duty leather construction
 - Reinforced stitching options
 - Custom branding available

ZV-LP-005
